Dear Colleagues,

TOP is an evolving, dynamic conference that embraces cutting edge research topics and emerging scientists. It was thought having as a primary objective the meeting of a number of scientists working within the area of timescales of polymers, conceived as the background driving force for the progress of knowledge in many field of Polymer Science.

Conference Location

The conference will be held at Ischia (Italy) known as the Green Island because of its abundant flora, its exceptionally mild climate, and therapeutic springs. The conference sessions will be held at Hotel Continental Terme, Via Mazzella, 74, 80077 ISCHIA, Italy, Web-site: www.continentalterme.it

Topics

Composites
Nano-Composites
Biomaterials
Viscoelasticity
Glass Transition
Polymer Melts
Soft Materials
Thin Films
Sensors
Processing
Durability

Important Deadlines

Paper submission: December 20, 2015
Paper acceptance: January 20, 2016
Early registration: March 31, 2016

in order to submit the paper, please visit: www.topconference.it
The 7th Conference on "Times of Polymers (TOP) & Composites" is organized by Italian groups on polymer science and composites. TOP-Conference provides opportunities for exchanging ideas and opinions on both fundamental science and industry-relevant subjects. The form of the conference allows invited presentations as well as contributions from participants. The number of delegates is restricted to 150.

**Registration Fees**

The fee covers the registration materials, the conference proceedings, the coffee breaks, the tour of Ischia Island, the welcome party, the gala dinner.

**Best Young Research Award**

We will award the best young researcher's paper.

The selection will be done over those young delegates up to 35 years old. The awarded scientist will gain the status of invited speaker at the next TOP Conference with registration and accommodation fees waived.

**Conference Publication**

The conference Proceedings will be published by an international publisher and indexed by Scopus and ISI Web of Science.
