

Emulsification & Encapsulation by Soft Matter Techniques

Fall 2019 ACS National Meeting 'Chemistry & Water'
San Diego, August 25 – 29, 2019

*Abstract submission: <https://callforpapers.acs.org/sandiego2019>
(deadline: Monday, March 18 2019)*

TOPICS

- ☐ Ouzo effect and Flash Nanoprecipitation
- ☐ Triggered emulsification techniques (PIT, PIC...)
- ☐ Block copolymers emulsification
- ☐ Nanoparticle/nanocapsule synthesis/characterization
- ☐ Crystallized, patchy and Janus nanoparticles...
- ☐ Emulsion polymerization: miniemulsion, PISA...

INVITED SPEAKERS (as of March 1st 2019)

- Pr D. Weitz, Harvard (USA)
- Pr. P. T. Hammond, MIT (USA)
- Dr. J. Cabral, Imperial College London (UK)
