**ICCHMT** 2023 | Düsseldorf  
September 4-8, 2023 | Düsseldorf, Germany  
[www.icchmt2023.de](http://www.icchmt2023.de)

The 14<sup>th</sup> International Conference on Computational Heat and Mass Transfer will be held in September 4-8, 2023, in Düsseldorf, Germany. The conference will be held in person, in the rooms of Düsseldorf University of Applied Sciences / Hochschule Düsseldorf (HSD). Authors are invited to submit abstracts covering, but not limited to, the following fields:

Aeronautical and Space Applications	Granular Flows	Phase Change
Atomization and Sprays	Heat Exchangers	Nuclear Applications
Biomedical Engineering	Heat Pipes	Particle Laden Flows
Combustion	Heating, Ventilating, Air Conditioning	Porous Media
Compressible Flows	Hydrology	Reactive Flows
Buoyancy-Driven Flows	Manufacturing / Material Processing	Renewable Energies
Energy Storage	Micro / Nano Heat and Mass Transfer	Hydrology
Environmental Flows	Mixing Devices and Phenomena	Turbulent Flows
Fluid Machinery	Multi-Phase Flows	Wind Engineering
Fuel Cells	Non-Newtonian Fluids	Waste Management & Disposal

Acceptance for presentation at the conference will be based on the submitted abstracts. Full papers are due subsequent to the conference, for enabling the authors to cover the most recent status of their work, and possibly considering the feedback from the conference. Subject to review and approval, the papers will be published in the **Conference Proceedings by Springer Nature**. Selected papers will be considered for publication, in extended form, in special or regular issues of various journals.

## SUBMISSION DEADLINES

## REGISTRATION FEES AND DATES

	Early	Standard	Late
<b>Regular</b>	700 €	850 €	900 €
<b>Student</b>	400 €	500 €	550 €
<b>Accompanying Person</b>	150 € before July 1	150 € from July 1 to Aug. 6	150 € after Aug. 6

## REGISTRATION RULES

For an accepted paper to be considered in the conference, at least one author/co-author must be registered in the Regular category. **One Regular registration covers only a single paper without additional charge.** A Regular registration can be extended to cover a **maximum of two additional papers**, by paying Additional Paper fee of 150 € for each.

**A Student registration does not cover a paper.** If a non-student co-author is not available, the student must register in the Regular category for ensuring the coverage of a paper.

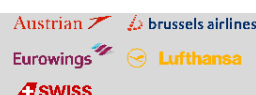

Coverage of a paper by a Regular registration (or as Additional Paper of a Regular registration) does obviously not free the remaining authors/co-authors from the obligation of registration, if they are attending the conference. All participants that personally attend the conference must be registered by paying the corresponding fee

**Accompanying Person** cannot be author/co-author. Accompanying person category is available only for **spouses or partners**.

Regular and Student registration categories cover admission to conference sessions, printed copy of conference program, electronic copy of book of abstracts, electronic copy of conference proceedings, refreshments, lunches, gala dinner.

Accompanying Person category covers lunches, gala dinner.

The conference is sponsored by **Lufthansa Group**, which will provide discounts to the attendees. The global route network of Austrian Airlines, Lufthansa, Brussels Airlines, SWISS and Eurowings offers connection and combination options that can be beneficial for quick and direct flights to the event.
